# Hello, I'm Haneen Tanashat.

# A Full stack web developer.

# Based in Jordan.

## About

I'm Haneen Tanashat, but you can just call me Haneen.
I graduated with a degree in computer science from Al-Balqa Applied University.
 I chose that field of study because I've always been interested in technology, and this major leads to great career options.

## Experience

- I'm a trainee at Coding  Academy by orange.

- I trained in Irbid Municipality

## Qualification

I graduated with a degree in computer science from Al-Balqa Applied University.

CCNA certified from Institute of Public Security for Communications and Information Technology.

## Skills

### Soft Skills

Training at Orange coding academy learn you a lot of soft skills like: presentation skill, time management ,problem solving, searching skills and communication skills.

### Technical Skills

I started my journey with programming in C++ and C# language in my college days. now im learned html ,css and bootstrap and still learning javascript ,php, react,etc.. .

## Projects

One of my key accomplishments during my academic career was Completed a graduation project titled RGB Image Steganography Using Sequential and Random Message Data Distribution.

Portfolio website for myself and lots of tasks you can see in this link  WWW.github.com
